Fred Brack, Webmaster

Updated July 2024

History

- **March 2002:** Audio Description International (ADI) Conference in Washington DC; Barry Levine president
- **March 2003:** Fred Brack takes over as ADI webmaster
- **April 2009:** Barry Levine dies; Fred maintains website
- **May 2010:** ACB takes on the “Audio Description Project” as a sponsored initiative, with Joel Snyder as Project Director and Fred Brack as webmaster
- **2014:** Joel officially forms the ADP Committee to help guide the Project and Conference; subsequently six subcommittees formed

Overview

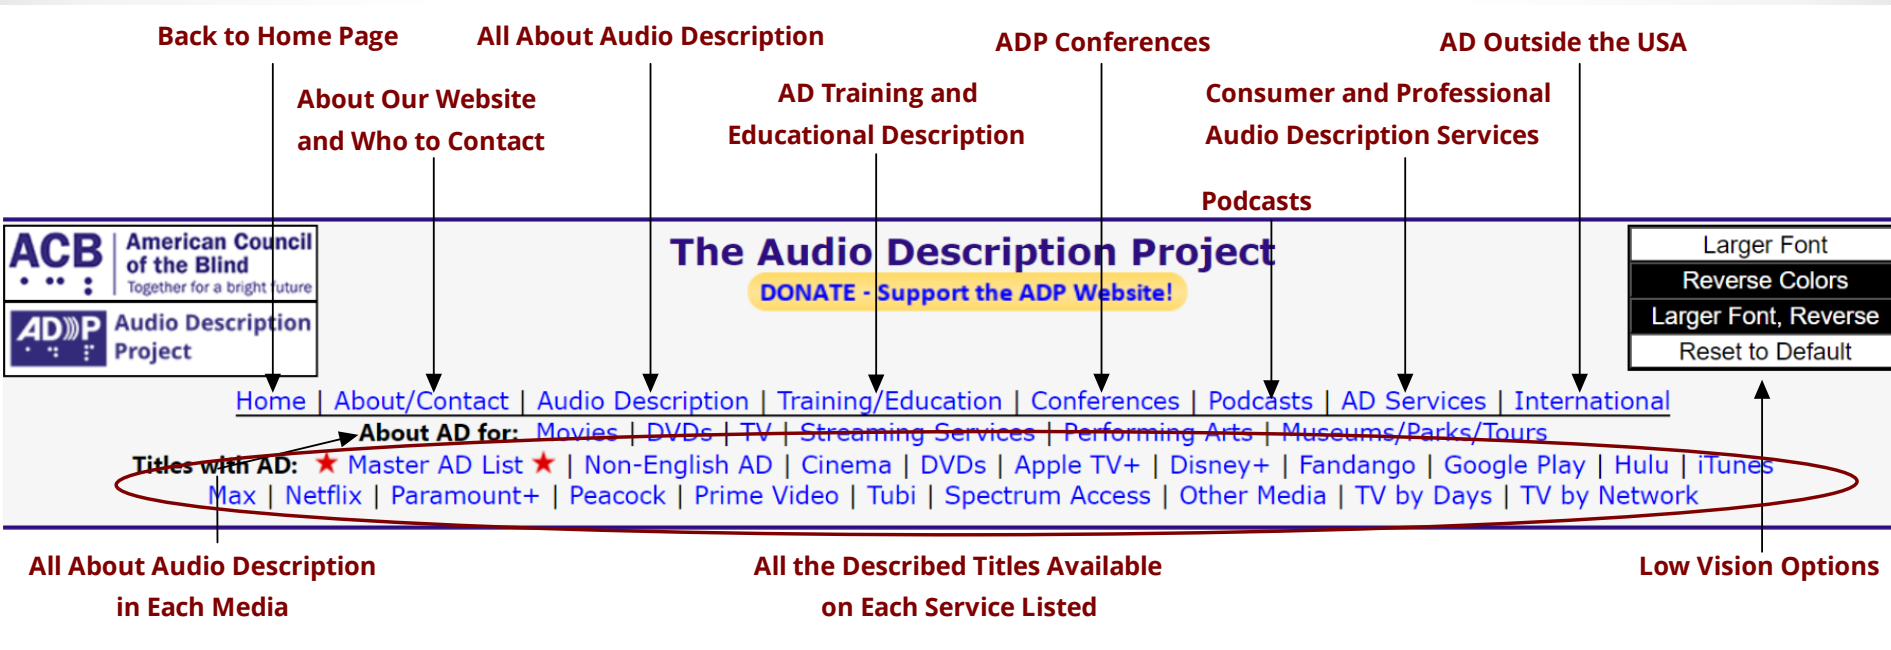

- Our site is intended for both **users** and **providers** of audio description worldwide, but **primarily the USA**
- We answer the questions **what, how, who, where,** and **when** about audio description in multiple media
- We primarily cover:
 - **Current Cinema:** first-run films with audio description
 - **DVDs and Blu-ray discs** with AD: commercial movies
 - **Television:** what's available with AD and how to receive it
 - **Streaming Video** services offering audio description, like Netflix & iTunes
 - **Performing Arts, Museums, Parks, and Tours** which offer audio description
 - **Providers** of audio description services for both consumers and business

Options for Visitors with Vision Impairment

- Blind, using a Screen Reader
 - Alt text on all images
 - Headings used to help navigate page sections
 - Hidden “Skip Navigation” link on each page
 - Certain other hidden links (such as description of logo)
- Low Vision
 - Large font
 - Black text on white or light-colored background
 - High contrast headings (white on purple or black)
 - Two additional options available (and remembered) via buttons at the top of every page:
 - Even larger font
 - Reverse colors

Listings for Description

- Two Listings options: TV Network and Independent
- Some Networks Offer Separate Pages
- Independent listing services
 - AFB
 - Advantage: very specific to your provider and time zone
 - Disadvantage: must make 4 menu selections first, and listing is very detailed and specific to one day
 - ADP's offering (via Timothy Wynn)
 - Advantage: 1-week at a time, all networks in one list
 - Disadvantage: Must pass through low-interest shows (such as repeats) to find the one(s) you want

DVDs and Blu-ray Discs

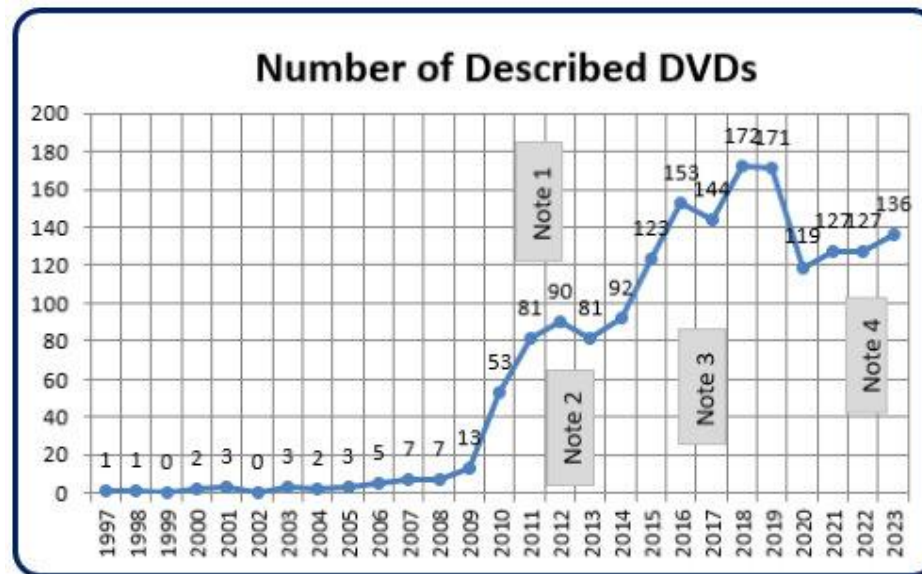

- The ***only complete listing*** of every USA commercial movie released on DVD and/or Blu-ray since 1997
- Updated weekly with new releases (avg 2-3/week)
- **Nearly 1800** described videos available (about 125 per year expected from now on)
- Each listing has a link to Amazon to order (*supports our website!*) and comments (such as Blu-ray only)
- Pointers to additional sources for described DVDs (such as educational and international)
- Info on how to access the description track

Some Recent DVDs w/AD

- Abigail
- Anatomy of a Fall
- Dune (I & II)
- Kung Fu Panda 4
- Origin
- Stopmotion
- The Color Purple
- Wish
- Wonka

DVDs w/AD Growth

(As of January 2024)

Turning Points in Yearly Quantity of Described DVDs (Total 1716)

Note 1: In 2010, Sony, Universal, and Disney began regular description

Note 2: In 2011, Fox and Paramount began regular description

Note 3: In May 2015, Warner Bros began regular description

Note 4: In 2020-21, COVID-19 shut down cinemas, affecting DVD release
